# BUSINESS GROWTH

Al Shahin Diesel Fuel Trading is desirous to provide world class petroleum products solutions to the most competitive market within the shortest possible time at reasonable costs in order to meet shareholder needs and exceed the customers' expectations.

Al Shahin Diesel Fuel Trading's vision is to establish a major gasoline and gas oil distribution company, construction of storage facilities and pipelines in the Middle East, taking advantage of current economic and political dynamics such as the large and escalating demand in the region for petrol and diesel. The niche to develop Middle East wide fuel pool controlled by young dedicated business individuals and all Middle East tariff/trade regulations are variables that Al Shahin Diesel Fuel Trading has identified in this period as strategic growth engines in this sector that will yield immediate financial results for all partners to this business venture.

# A MESSAGE FROM THE CEO

*“I am pleased to indicate that Al Shahin Diesel Fuel Trading LLC is now one of the largest acreage holders in the United Arab Emirates upstream oil and gas sector. Through our organizational capabilities, experience, and strategy, we will continue to deliver results that have a long lasting positive impact towards the growth and development of the country.”*

**TAHER ALTAHRI**

**CEO/OWNER**

**AL SHAHIN DIESEL FUEL TRADING LLC**

Middle east remains strong and resilient even in the wake of global oil markets undergoing a significant change in 2015. The company has successfully navigated and adapted through challenging times within the global oil and gas industry through focusing on pursuing the right opportunities and continuing to utilize robust capital stewardship practices.

Sustainability remains a key area within our corporate strategy. We will consistently develop and apply processes that enable us to continuously improve our safety culture. We will utilize approaches that always minimize our environmental footprint and impact that may result from our operations. In the absence of adequate regulations yet to be in-place, we will continue to strive to leverage and apply industry best practices and standards regarding environmental management. We will maintain our strong positive relationships within the communities where we operate with the intent to ensure that we continue to have long term social licenses to operate.

I am proud of all we have accomplished over the last twenty years. I am also excited and energized as we enter our next decade. I will ensure that Al Shahin Diesel Fuel Trading LLC remains at the fore-front of the upstream oil and gas sector in United Arab Emirates, and is fully committed towards continuing to actively support the sustainable and holistic development of the nation. We will continue building on the strengths of our past, and with our proven track record, capabilities, as well as unwavering corporate values, look forward towards continuing to play an active part of building a brighter future for the Emirates.
